A poster for the event. At the top is a stylized logo with vertical bars and a central figure. Below it, the text reads: "ROBERT J. DOLE INSTITUTE OF POLITICS SAB Fall Forum with Fernando de la Rúa Thursday, September 22, 2011 4:00 p.m. at the Dole Institute". A paragraph of text follows: "President Fernando de la Rúa served as President of Argentina from December 10, 1999 to December 21, 2001. Born to Eleonora Bruno and Antonio de la Rúa in the city of Córdoba, he attended the local Military Lyceum before entering the National University of Córdoba, from which he obtained his law degree. The son of a judge and longtime supporter of the centrist Radical Civic Union (UCR), de la Rúa became involved in politics at a young age."

Remembrance of my visit to the Dole Institute of Politics, with thankfulness for the Director and staff and admiration for senator Bob Dole. 22 Sept 2011
