## STATEMENT BY SENATOR BOB DOLE

### ON DEATH OF RUTH GARVEY FINK

Washington, DC: Senator Bob Dole made the following statement on the death of fellow Kansan and longtime friend Ruth Garvey Fink:

“Ruth was not just a longtime friend and supporter but a person who has helped our state and many of us personally in quiet ways, without seeking attention, and she has done it all of her adult life. Ruth was a distinguished Kansan and, in fact, received that award in 2004 for her success as a businesswoman, her leadership throughout Kansas, and her generosity as a decent human who gave to others.

The footprint she leaves will last forever and her legacy will be one of helping others.”
